Class Tutor Comment Gr 11

The Grade 11s have shown tremendous personal growth this year and are ready to embark on their final year of high school in 2023. Sange has shown a slight decrease in marks from the previous examinations. Based on her year mark, she has not met the minimum requirement to pass Life Science. Sange must work with a tutor every week next year in order to improve her Life Science mark before her matric finals. Please contact the tutor suggested by the school. She should still be commended for her excellent result in IsiZulu. Based on her year mark, Sange does not qualify for further study at Bachelor Degree level but has been promoted to Grade 12.

Tutor Comment

The Grade 12s have had a busy and productive term and are now fully aware of the challenges and expectations that lie ahead. Sange should be congratulated on her distinction for isiZulu, as well as her very good results for Mathematical Literacy and Life Orientation. English and Life Sciences are of great concern as she did not meet the minimum requirements to pass these subjects. Due to her results, Sange did not meet the minimum requirements to pass the term.

Ms A. Ainslie-Britz
