Midrand, Gauteng

Student Name : Karabo Tsele

Grade : Grade 11-Grade 11L

| | |
|----------------------|--|
| Class Teacher | In Accounting, Karabo responds well to what has been read or discussed in class and as homework. She is a hard-working student and does her work. Her teacher is confident that her results will improve if she reviews, revises and repeats her work before a written task and examination, and advises that Karabo works on her paper 1 skills. There are a number of areas which she could improve upon with practice and discipline and in particular I advise her to stay committed to Afrikaans and Mathematics so that she can achieve the results of which she is capable. Karabo has been promoted to Grade 12. Pinnacle College Kyalami wishes you well over the festive season. School re-opens on Wednesday, 12 January 2022 at 07:25. |
