Average	60	43	54	39	46

Overall result	Diploma Pass	46
-----------------------	---------------------	-----------

This appears to have been a challenging year for Caleb. Despite commendable results in Maths, he has not achieved the necessary standard in a number of his subjects, but I have condoned English and he is promoted to Grade 12. I recommend extra tutoring and support in Science, and I urge you to give of your very best in English in the new year, Caleb.
