Dear Miss Pheko

**APPLICATION FOR ADMISSION 2025 INTAKE
Dip (Building Science)**

Applicants are assessed by means of a formula for academic merits, based on school performance.

I regret having to inform you that your application for admission to the **Dip (Building Science)** has unfortunately been unsuccessful.

Formula for academic merit for candidates who passed Grade 12 in or after 2008:

SUBJECT REQUIREMENTS	MINIMUM PERFORMANCE LEVEL/SCORE
Specially required subjects:	
English: home language or first additional language	4
Mathematics or Technical Mathematics	3
Physical Sciences Technical Sciences	3
Total APS Score (excluding Life Orientation)	26

RATING CODE	RATING	MARKS
7	Outstanding achievement	80-100%
6	Meritorious achievement	70-79%
5	Substantial achievement	60-69%
4	Adequate achievement	50-59%
3	Moderate achievement	40-49%
2	Elementary achievement	30-39%

The APS is calculated in the six best subjects obtained (excluding Life Orientation) and an achievement of 1 (one) is not counted towards your APS.

Formula for academic merit for candidates who passed Grade 12 before 2008:

APS	HG VALUE	SG VALUE
7	A	
6	B	A
5	C	B
4	D	C
3	E	D
2	F	E
1	G	F

Since your score is **25** or less, you can unfortunately not be admitted to the course.

We appreciate your interest in TUT and invite you to apply for any other course of which you meet the minimum admission requirements and where there is still space available. We wish you everything of the best.

If your application for admission was not successful for whatever reason, you will **not be** considered for financial assistance.
